Re: MBE Certification Approval

Dear Vendor:

Congratulations. After reviewing all of the information supplied by you, I am pleased to advise you that your firm has been granted certification as a minority business enterprise (MBE) under the Business Enterprise Program for Minorities, Females, and Persons with Disabilities (BEP) Act. This certification is valid for two years from the date of this letter.

Should any changes occur in ownership and/or control of the business or other changes affecting the firm or operation, you are required to notify this office within two weeks of such changes. Failure to notify us of any changes will result in decertification.

We have enclosed a list of the 62 State Agencies that are affected by the Business Enterprise Program. This list includes the names, addresses and telephone numbers of the Business Enterprise Program Liaisons. If you provide a service, please note that each agency purchases services as needed. I suggest you send them a letter of introduction to make them aware of your firm. Commodities and equipment are centrally procured by the Department of Central Management Services. Included is information on how to access current bid opportunities on the internet, through the Illinois Procurement Bulletin.

Also included is a list of the 9 State Universities that are affected by the Act. When contacting the universities, it would be helpful to include a copy of your Bidder's Application Form for reference.

Please keep in mind this certification does not guarantee any contracts, however, it does assure your firm the opportunity to participate in the State's procurement process.

We welcome the opportunity to have your firm participate in the State of Illinois' Business Enterprise Program for Minorities, Females, and Persons with Disabilities.

If you have any questions, please contact our office at (312) 814-4190 (Voice/TDD); (800) 356-9206 (in Illinois only); (800) 526-0844 (Illinois Relay Line for the Hearing Impaired); or by Fax (312) 814-6664.

Sincerely,
