RE: Disadvantaged Business Enterprise (DBE) Certification

Dear Mr. Saltijeral:

This letter is to acknowledge receipt of your Certification Application as a Disadvantaged Business Enterprise (DBE) with Pace. We have reviewed your application and APPROVE the Certification of Industrial Fence, Inc., as a DBE for the period of November 15, 2002 through November 14, 2005, provided a more in-depth investigation does not reveal information that would lead to this certification being terminated for cause. Your firm will be listed in Pace's DBE Directory under the heading of CONSTRUCTION specializing in Fabrication and Erector of Ornamental Iron, Fencing, Guardrail, Overhead Doors, Carpenters and Miscellaneous metal.

Should there be any changes that would affect the firm's ability to meet size, disadvantaged status, ownership, personal net worth, or control requirements, Pace's DBE Office is to be notified without delay. Failure to properly notify Pace may result in your firm being considered non-cooperative and your certification status revoked.

Please be advised that each year on the anniversary date of your certification, you will be required to submit to Pace's DBE Office a No Change Affidavit notarized and sworn to by the firm's social and economically disadvantaged owner(s). The Affidavit asserts that the firm continues to meet size, disadvantaged, personal net worth, control and ownership, as well as all other necessary requirements.

For your convenience, I have attached a Vendor's application-for your firm to be included in our Purchasing database. Please complete the application and submit to our Purchasing Department at the address listed above.

If you have any questions or comments, please contact Robyn Schiferl, DBE Program Coordinator, at 847/228-2439.

Sincerely,

Ellen L. Champagne  
General Counsel/DBE Officer
